— WHY SPONSOR

Not reach. Presence.

~2.5k

A senior, curated room

~2,500 curated delegates, 1,000 of them VIPs — your brand shares the room with the decision-makers, not a logo wall 30 metres from the stage.

50+

Countries represented

Policy, capital and industry from more than 50 countries, with 95% of the stage C-level or founder-grade. International reach without diluting the room.

3+

Lasting artefacts

Months of post-event reach. The Digital Host film, exclusive interviews and the Malta Declaration carry your brand through Q4 and into 2027.
